**J. Dąbrowski, H.S. Köhler, J. Rożynek**, Application of the Nuclear Matter Approach to the Interaction Potential Between Heavy Ions, *Acta Phys. Pol. B* **34**, 4257 (2003).

There is a mistake in the labelling of the solid curves in Fig. 3. The corrected Fig. 3 is:

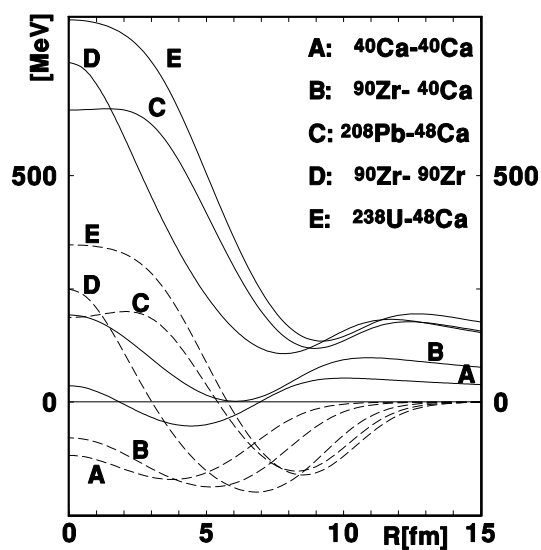

Fig. 3 (corrected). Potentials  $\mathcal{V}$  (broken curves) and  $\mathcal{V}_{\text{tot}}$  (solid curves) between the indicated pairs of nuclei at  $K_r = 1.5 \text{ fm}^{-1}$ .
