

LXVI Cracow School of Theoretical Physics

Physics of Strong Interactions under Extreme Conditions

Kraków, Poland, 14–19, June, 2026

**Dedicated to Professor Andrzej Białas
on the occasion of his 90th birthday**

Organized by:

Institute of Theoretical Physics, Jagiellonian University, Kraków
M. Smoluchowski Institute of Physics, Jagiellonian University, Kraków
Institute of Nuclear Physics Polish Academy of Sciences, Kraków
AGH University of Krakow

in collaboration with:

Wilhelm and Else Heraeus Foundation
Polish Academy of Arts and Sciences

under the auspices of the Polish Physical Society

supported by the City of Kraków

MICHAŁ PRASZAŁOWICZ

Editor of the Proceedings

CRACOW SCHOOL ADVISORY BOARD

Andrzej Białas
Polish Academy of Arts and Sciences and Jagiellonian University, Kraków, Poland

Janusz Chwastowski
Institute of Nuclear Physics Polish Academy of Sciences, Kraków, Poland

Larry McLerran
Institute for Nuclear Theory, Seattle, USA

Robi Peschanski
Institute for Theoretical Physics, CEA, Saclay, France

Mariusz Przybycień
AGH University of Krakow, Poland

Anna Staśto
PennState University, USA

Raju Venugopalan
Brookhaven National Laboratory, USA

ORGANIZING COMMITTEE

Peter Braun-Munzinger
GSI and EMMI, Darmstadt, Germany

Michał Praszalowicz
Jagiellonian University, Kraków, Poland — Chair

Krzysztof Redlich
Wroclaw University, Poland

LOCAL ORGANIZING COMMITTEE

Janusz Chwastowski
Institute of Nuclear Physics Polish Academy of Sciences, Kraków, Poland

Wojciech Florkowski
Jagiellonian University, Kraków, Poland

Mariusz Przybycień
AGH University of Krakow, Poland

Piotr Salabura
Jagiellonian University, Kraków, Poland

Paweł Staszel
Jagiellonian University, Kraków, Poland
